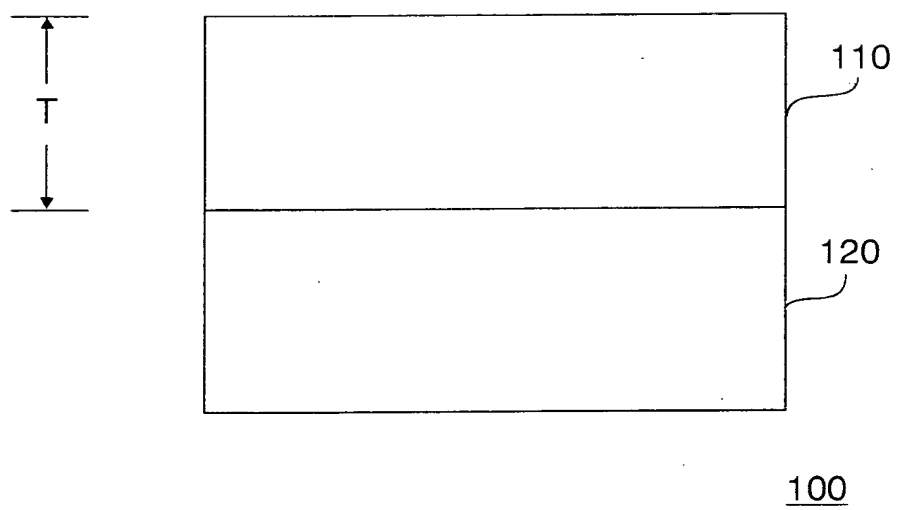

FIG. 7

A diagram showing a wavy line between two horizontal lines. The top horizontal line is labeled 110a and the bottom horizontal line is labeled 110b. A vertical double-headed arrow between the two horizontal lines is labeled d. The wavy line starts at the top left, goes down to touch the bottom line, then goes up to touch the top line, then goes down to touch the bottom line again, and finally goes up to touch the top line at the right end.
